

St. John School

BADGER BYTES

Principal's Corner - Mr. Snow

We need people to share the good news with family and friends about what is going on at St. John. Please let family and friends know that St. John is a Wisconsin Private School Choice school. The "on-line" registration period is only open until April 20. If you know a family that would benefit from a Christian education, please encourage them to consider St. John for their families' educational needs.

We encourage all of you to participate in our tree sale and hanging flower sales.

Junior Choir and Bells sing and play next Wednesday, March 29th during the 7:00pm service.

Check out all the upcoming events inside this weeks edition.

Have a great weekend.

Mrs. Snow

We have read a poem about wind. We have been working on a book about a kite using position words. On Thursday we tested our hypothesis on whether objects would blow in the wind (fan) or not. We also took turns hovering a ping pong ball with a blow dryer. We have sent home another book from the grant program, "Pokey Little Puppy".

Jesus Time

During Jesus time we read about Jesus washing the disciples before their Last Supper together. Jesus would die on the cross the next day, and He would rise again on Easter. Jesus performed a task that was normally performed by a servant. Jesus was demonstrating to his disciples how to serve others. He said, "Love one another as I have loved you."

Miss Linse

In 3K, we spent this week talking about circles and getting ready for a very fun Easter art project. We have now spent time talking about squares, triangles, and rectangles. A fun home activity to practice multiple shapes at a time is to show different shapes to your child and ask them what the shape is. We will also begin talking about the events of Jesus' life leading up to Easter next week. In Kindergarten, we are excited to begin talking about the events of Holy Week during Jesus time and remembering that although the Easter bunny is fun, the true meaning of Easter is the Resurrection of Christ Jesus. We will also be finishing units 3 and 4 in Superkids and taking our next progress test. We are really looking forward to creating a mock stain glass art project in time for Easter.

1st/2nd
Mrs. Fritsch

We are taking a walk with Jesus through events in His life and His ministry. Next week we will start our entry into Jerusalem.

Students received their new memory schedules which include the songs they are singing in Cherub Choir. They will be singing on Palm Sunday, at 8:00am.

In math we are taking off on our Race Track Game, learning how to multiply in Second Grade and review addition in First Grade. The prize at the end is to keep their car! Who will keep their cars this year? My Superkids are doing a great job reading about the Superkids and finding a new home for Golly. We are reading science books for our "Umbrella," and for our Fang Reading. We are learning about Space, Mercury and Venus.

**3rd/4th Grade
Mrs. Schram**

The class reached their 500-point goal and was awarded an afternoon snack of Domino Pizza. Thank you, Mrs. Oppor for picking up the pizzas. The Fang Reading Program is coming to the end. Your daughter has earned a free baseball ticket. The school family game day is Sunday, June 4. Please order your tickets and send order form back to me by April 18th. We designated today as "Wisconsin Badger Day", Go BADGERS!! During the week of April 3, we will be taking achievement tests. Please make sure your child gets a good night's rest and a healthy breakfast. We will not have spelling during the week of testing.

**5th/6th Grade
Mr. Snow**

We took test #19 in math today. Ask your child if Mr. Snow got them graded and recorded in time to send them home for parental review and signatures.

In reading class, we are learning more about the little people that Jessica Charlotte had brought to her in the cupboard that her son made. This is the same cupboard that Omri has used to bring his little people to him.

We are working on a "class cooperation" project in art. We were going to check on their progress today to see what the final due date will be.

**7th/8th Grade
Mrs. GeRue**

There will be a geography map test on South America will be on Tuesday. In literature, we are working on a short fables unit where the students had to write an adaptation of a common fable into a modern-day fable. The students worked in groups to construct some bulletin boards for the main hallway bulletin board. Each board will be up for a few weeks. Come check out the nice work when you come into school! This week Mrs. Reeves started a drama class for 5th through 8th grade as an elective. It is one day a week, and the first class kept the students active and interested. It's a good way for students to feel comfortable speaking in front of others. We thank her for giving the students this special opportunity!

NEED TO KNOW

Library News:

Custodial Position

St. John School and Church are seeking a full-time Custodian. Our current Custodian, Mr. Gehrke, has decided to retire at the end of this school year. This position is responsible for keeping the facilities and equipment clean and in good repair. Some of the included duties are daily cleaning of school, weekly cleaning of church, mowing and snow removal. The Custodian position requires a positive, friendly attitude and the ability to give Christian witness in their lifestyle as they will have daily interaction with children, parents, teachers, pastors, church members, and visitors. Flexible hours, 35-45 hours per week depending on current school/church activities. For the right candidate, we will also consider part-time/split positions. For more details please contact Adam Ewald at aewald8@gmail.com or 920-290-2545.

Secretary Position

St John Lutheran School is seeking a year round secretary for up to 32 hours per week. Hours will be 7:30am to 1:30pm Monday through Friday (could vary) while school is in session. Summer hours will be daily for 2 weeks after school is out and 2 weeks prior to start of school. Approximately 2 days a week the remainder of the summer. Qualified candidate must be competent/proficient with Microsoft Office Programs and Windows Systems. Some book keeping experience is a plus. Candidate should be detail oriented and practice great discretion with all school matters. For more details on job duties and/or to submit resume, please remit to billikaufman@hotmail.com. *"For God so loved the world, that he gave His only son, that whoever believes in Him should not perish, but have eternal life."
