Literacy

We have been learning about some of our Presidents and some monuments in our nation's capitol. We have also read books featuring the letter O.

Dr. Suess' Birthday

We will be celebrating Dr. Suess' birthday on March 1 (his birthday is actually March 2). We will use our middle names (His real name was Theodor Suess Geisel) and wear crazy socks to celebrate.

Jesus Time

We read the story of Jesus visiting His friends Mary and Martha. Mary and Martha welcomed Jesus into their home. Mary sat at Jesus' feet as He told of God's love. Martha continued with cleaning and meal preparations. Martha complained to Jesus that Mary was not helping her. Jesus explained that Mary chose what was important.

PS/K
Miss Linse

This week in 3K, we spent time reviewing our letters and numbers. We are excited to start a new art project next week. Next week is also the end of the second trimester. In Kindergarten, we finished with the first half of our Superkid program and took an assessment test this week. We are excited to see what comes next with the Superkids.

During Jesus time, we talked about the story of the Widow's mite. This story is a good reminder to us that God will take care of all our needs. Also, next week we will be celebrating Dr. Suess' birthday on Thursday and Friday with some fun Dr. Suess themed activities. Friday in the end of the second trimester and report cards will be issued March 7th.

We had such an odd week! Two days of no school. And now late start. The Religion lesson we got in was from Luke 12:22-34. Jesus teaches us not to worry! Instead He tells us to TRUST Him for everything we need. We may want stuff that we don't need! We learned that earthly treasures won't last. Heavenly treasures - Word of Life, Bread of Life, and New Life will last forever, into eternity. Did we just BLOW your mind? Eternity is forever with God! We are learning "Jesus Loves Me," with signing for Pastor Munding's installation March 4, at 3:00pm. Please plan to attend this historic event. All the children are asked to sing!

In Math, we had time for Lesson 80 and the test. We took some time to review our new concepts! We also reviewed what we know about our 1st President George Washington. We also finished our 2nd grade Social Studies Book, learning about America's holidays, Patriotic Songs, early times in America, and US Territories.

The class will be tapping a sugar maple tree and learning the process of making maple syrup. In the afternoon, we will head over to the Paper Discovery Museum and make paper and other hands on experiments. I need drivers. Scholastic March book orders are due March 1. National AR standings as of Feb. 19th, third grade is still in 3rd place and 4th grade has moved down to 10th place.

**5th/6th Grade
Mr. Snow**

We have completed lesson 78 in math. In reading we have completed *The Silver Chair* and taken our reading practice test. We will take a literacy test on Monday. We did not have spelling this week due to the shortened week. We were supposed to finish our newspaper ads today. Have a great weekend.

**7th/8th Grade
Mrs. GeRue**

Let's plan to show our support for the ministry of St. John, by attending this service. If you have never been to anything like this, it is quite a moving service, as all the area Pastors attend and give a blessing to the new Pastor! Come and See!
