We have been reading and talking about Leprechauns this week. We made a trap with the hope of catching one. Unfortunately we didn't catch one, but they did leave our room in disorder and a little gold(chocolate coins) and rainbows(baggies of froot loops).

We have added look, the and at to the sight words we have worked on.

We have also worked on guided drawing. On Thursday we made Leprechaun faces. We made a class book where we drew what we would do if we had a pot of gold.

During Jesus time we read about Jesus washing the disciples before their Last Supper together. Jesus would die on the cross the next day, and He would rise again on Easter. Jesus performed a task that was normally performed by a servant. Jesus was demonstrating to his disciples how to serve others. He said, "Love one another as I have loved you."

In 3K we are having a lot of fun learning new things through songs, play, and stories. We love creating art projects. During Jesus time, we learned about Jesus feeding the five thousand and this story reminds us that God will always take care of us. In Kindergarten, we took our next progress test and began to work on the letters Nn, and Mm. During Jesus time, we have also been talking about Jesus feeding the five thousand. This morning we arrived at school to find that in honor of St Patrick's Day, some leprechauns came sneaking into our room last night and making a mess and moving things around. They wanted us to experience their visit even though St Patrick's Day is Saturday. They left us presents and chocolate, though, to make up for having to clean up their mess.

This week we reviewed the story of the Pharisee and the tax collector. Jesus was teaching how we should pray, with a sorry heart. We also hears how Jesus' friend Lazarus died and Jesus was sad and cried. But, to show His power over death, He raised Lazarus from the dead! We also heard how much Mary loved Jesus and showed Him by putting expensive oil on His feet and wiping it with her hair. Jesus said that Mary was worshiping Him by doing this. We talked about how we worship and who is most important in our life. We had quite a list! We took Lesson 95 test in Math, and first grade took their Superkids Reading test this week. Next week new spelling words! We also got back into our Science activities this week, talking about animals and their unique bodies. For the AR challenge, second grade had a total of 9.3 points, they came in 38<sup>th</sup> out of 51 schools. Not bad for 3 students! First grade had a total of 7.6 points and came in 30<sup>th</sup> out of 42 schools, again, not bad for 6 students!

**3rd/4th Grade  
Mrs. Schram**

A special thank you to our field trip chaperones: Mrs. Mosier, Mrs. Hess, Mrs. Trochinski, and Mr. Fredenburg. We spent the morning learning how to tap a maple tree and turn the sap into syrup. A treat at the end was ice cream topped with pure maple syrup. In the afternoon, the class got to walk through the process of making paper and brought home a beautiful piece of recycled paper. Our thoughts and prayers are with Chasity. She fell yesterday and broke her arm, went into surgery to have rods inserted. She was released from hospital yesterday. Easter party is next Friday afternoon, March 23. Families organizing party are Chesboro (Deegan), Augsburg (Carston), and Resop (Addison). The party runs from 1:30-3:00. All are invited to attend. The class took a trip over to All Saints School today for our annual Wisconsin Agriculture Day. A very educational presentation about farms in our community. Happy St. Patrick's Day!

**5th/6th Grade  
Mr. Snow**

We have completed lesson 89 in math class. That means we will take test #17 next Tuesday.

In reading class, Shasta and Aravis have gotten through Tashbaan. Now they and their horses are trying to warn the Narnians and King Lune of Archenland that Prince Rabadash is planning to attack them.

In Religion, we have been learning about Jesus as our prophet, priest, and sacrifice.

We will go over to the middle school next Tuesday morning to see band presentation. The purpose is to see if any of our 5<sup>th</sup> graders might be interested in taking up band. If they are interested their instruction begins during the summer between their 5<sup>th</sup> and 6<sup>th</sup> grade years.

Have a great weekend.

**7th/8th Grade  
Mrs. GeRue**

Keep selling those pizzas for the class trip fund raiser!

We tested on the Constitution Articles and Amendments this week. Any student that got a D or F is to retake the test. It was given online so students were able to see their grade as soon as they finished the tests. We are starting a new chapter in science on the atmosphere and are reviewing PowerPoint as we go through this chapter creating slides containing the important points of the chapter. In writing we are working with how to write a persuasive essay. We also had an experience using casting strips in making 3D letters. We hope to finish that art project next week.

**PTL NEWS:** The PTL Soup Supper will be this coming Wednesday, March 21. We need sandwiches, desserts and help. Call Nancy Wallner @ 361-4179 if you can help out. There is also the PTL meeting at 5pm in the church lower level and then the supper is 5:30 - 6:45 and church begins at 7 pm. See you there!

**Library News:** The Scholastic "Buy One Get One Free" book fair is coming to our school in May. This is a good chance to stock up on summer reading.

**Cherub Choir (Kindergarten-2<sup>nd</sup>) and third/fourth grade** will be singing at the Palm Sunday service, March 25. This is a 9:00 a.m. service. Hope to see you there.

**Sunday School children will be singing this Sunday, March 18th at 9 am.**

**Handbells and Junior Choir:** Thank you to the Handbells, for playing super well Wednesday, night for the Lent Service. Thank you to the Handbell ringers, Katannah Dadas, Karson Kaufman, and Addison Resop for singing 10,000 Angels Cried. Very small group, but they did well while the Handbells played!
