We attended the musical at Christ Lutheran School in West Bloomfield on Thursday. It was fun to see how another school does their musical. We welcome Pastor Munding to St. John. He did his first chapel with us on Thursday. He even came with us on our field trip. He is excited about serving a congregation with a school.

Have a great weekend!

Mrs. Snow

We have started to learn sight words with songs. This week we learned I, Can and See. We practiced reading the sentence "I can see." We added our names to the end as we practiced reading.

During Jesus time we read how Jesus rode into Jerusalem on Palm Sunday. We waved our Palms as we sang Hosanna.

In 3K we are having a lot of fun with our ABC's and 123's. We also created some cool shamrock art using cookie cutters. We talked about Jesus healing the paralyzed man, during our Jesus time this week. Jesus healed the man but only after He forgave the man's sins. We are reminded that God alone has the power to forgive sins. Our new snack prayer this month is using the "Jaws" tune. The words are "God is great, and God is good... and we thank Him for our food. Amen." In Kindergarten, we are reading about the Superkids cleaning up the old bus to use as a clubhouse and we covered the letters Bb and Rr. Our next progress test is Tuesday. During Jesus time, we also talked about the importance of Jesus forgiving the paralyzed man's sins before he healed the man's earthly body. We are also using the "Jaws" prayer for mealtimes.

This has been a very busy week! Jesus showed us that we are sheep that don't always want to listen to the Shepherd (Jesus), but He comes searching for us in our sin and calls us to be with Him. We are also like the son, who wanted his share of his father's inheritance. Leaving his father, to have fun and party until his money was gone and he had to work with the pigs and even eat their food! Yup, it grossed us out too! We learned though, that by repenting and going to God with a sorry heart, Jesus will welcome us with open arms and the angels in heaven rejoice when one sinner repents. That made us very happy! We took another math test for Lesson 90, and Second grade started their new Superkids book. We also enjoyed going to West Bloomfield for their Spring play. Please attend a Sunday service near you. Lent is going very fast, soon Palm Sunday will be here! K-2 Sings that day at St. John.

**3rd/4th Grade
Mrs. Schram**

This is the last week for the National AR Challenge. Third grade has moved up to second place and fourth is hanging on to 10th place. We are hoping to stay in the "top ten." It is hard to believe Easter is right around the corner. Our classroom Easter party is Friday afternoon, March 23rd. Families in charge of party are Chesboro (Deegan), Augsburg (Carsten), and Resop (Addison). Field trip is next week Wednesday. Please send a cold lunch, snow boots, and warm clothes. We are outside in the morning. If at all possible, I would like the third and fourth graders to help my cherub choir sing on Palm Sunday. We will be walking over to McDonalds, Friday, March 16, for our annual shamrock shake. MY TREAT.

A history test is scheduled for Monday. The test will cover the chapters of Thomas Jefferson, Daniel Boone, and Noah Webster. Have a great weekend.

**5th/6th Grade
Mr. Snow**

We took math test 16 on Friday. Watch for those to come home for a parent signature. In reading Shasta and Bree have joined with Aravis and Hwin. They are working their way through Tashbaan on their way North to Narnia. Ask your child about their adventures. Please be sure to sign and return your child's report card or send a note in saying that you received it. Have a good weekend!

**7th/8th Grade
Mrs. GeRue**

We thank Miss Lisa Schram for substituting Monday while I was out due to my daughter's oral surgery.

During this week we finished the science unit and the test is Monday. The language test will be Tuesday.

In art we are working on 3D letters to make a wall hanging.

In Constitution we are working on some flash card review on the Amendments and Articles. There will be a test on this early next week.

This is a simple program that allows you to spend exactly the same dollars you would normally spend for things like gas, groceries, restaurants, etc. and apply the discounts to your tuition. You may start participating any time and use the credits towards next year's tuition (a great way to minimize your pre-payment). There is no fee to participate.
