4K
Mrs. Snow

Our big word for the week was metamorphosis. We learned how butterflies and frogs both go through a metamorphosis as they grow.

Dominoes - On Tuesday we went to Dominoes. We worked with our partner to make a pizza with our favorite toppings. We are very good at making pizzas.

McDonalds - Before the end of the year we would like to walk to McDonalds. We are asking each family to send in \$1 for an ice cream or cookie treat.

Jesus Time

Our Jesus time story was about Philip explaining the bible to the Ethiopian. Philip loved to share about Jesus with everyone he met. We want to be like Philip and share about Jesus too.

PS/K
Miss Linse

In 3K we are still waiting for the eggs to hatch; it seems like it is taking forever. We were excited to get to take our Mother's Day projects home and give them to our moms. We are also continuing to work on writing our names. During Jesus time, we talked about Jesus' Ascension and that He instructed His disciples to go and be witnesses to what they had seen and learned. There are only four 3K days left, where has the time gone. In Kindergarten, we also cannot wait to give our moms their Mother's Day presents. We talked about Jesus' Ascension and the job He gave to His disciples, during Jesus time. We are working hard on our last Superkids book for language arts. Just a quick reminder to keep an eye on your child's folder for information about Kindergarten graduation, a field trip next week Wednesday the 16th, and the end of the year Wisconsin Dell's trip.

1st/2nd
Mrs. Fritsch

This week we talked about Pentecost and the Holy Spirit coming to the disciples so they could speak in many other languages, to tell everyone they met about Jesus! We ended the week hearing how God changed Saul's heart from a murderer, into a Christian who wanted to tell everyone He met about how God had saved him! First grade learned about Polygons and lots of review. Second grade is doing 3 digit subtracting with borrowing/regrouping. Both grades have gotten to Level 9 (x9 and +9) on the Race Track game! They are doing great! Both grades are busy, busy, busy with Superkids. Have a great weekend! We also have been given the gift of the Holy Spirit at Baptism, share Jesus with everyone you meet!

**3rd/4th Grade
Mrs. Schram**

Our days are winding down fast. Third graders finished their math books today. We will be taking benchmark math tests, so math will continue to be on our schedule. Three field trip permission slips came home. Please sign and return. Wednesday, May 16, the class will head to Berlin Fitness for their gym class. We will learn the importance of exercise and movement. I need a parent to help transport us there. We will leave school at 1:20 and return by 3:00. Friday, May 18, is the West Bloomfield track and field day. Please dress your child in layers. I will have a cooler to pack lunches in. The school has a concession stand where they sell food and beverages. A bus will transport us to the school and bring us back to Berlin. We do not get back to school by 3:10, expect us back around 4:30ish. The Wisconsin Dells permission slip also should have come home. Happy Baptismal birthday to Makayla (May 10) and Happy Birthday to Chasity (May 13).

Haikus

Toucan by Sawyer

Toucans are a bird
Toucans have colorful beaks
They live in jungles

Worms by Carston

Worms are not slimy
Worms are buried in the ground
I can find worms good

**5th/6th Grade
Mr. Snow**

Thank you Mr. Krenke for filling in while Mr. Snow was in California with the 7th and 8th graders last week. They were able to finish *The Magician's Nephew* in reading class and take their AR test. We have now started the final book in the series called *The Last Battle*. It tells about the end of Narnia. The kids have been working on Mother's Day gifts in art class. We took test number 21 in Math class today. Have a great weekend!

**7th/8th Grade
Mrs. GeRue**

It was back to normal with everyone returned from the CIMI trip and back in our own classroom. We have continued working with the weather stations in science and are finishing up the weather chapter in our book. In social studies we have finished and tested on the executive branch and will be studying the judicial branch next week to finish up our constitution study. In language we are on a unit which reviews punctuation in some more complex sentences.

Chapel Offering this trimester will be directed to the Young family. They lost their home and belongings in a house fire.

The Scholastic Book Fair has come to an end. Thank you everyone for your purchase. Since this is a "buy one get one free fair" the school does not make a profit on this fair. Thank you again.

Timber Rattler game tickets are here and will be coming home. Game day is June 10.

If you need to make payment arrangements for your tuition account please contact the office or Mr. Snow at 920-361-0555. You can also email the office at school@stjohnberlin.org.

Next Friday is West Bloomfield Day. If anyone would like Mrs. Wallner to make their child a cold lunch please let Mrs. Wilson know before Thursday, May 17th. The lunch will be Ham or PB&J.

Last PTL Meeting is May 21st at 5:30 p.m. at school.

Choir and Handbell Schedule::

Sunday, May 20, Confirmation Day. 9:00am Handbells will practice at 8:00am. Wear black and white.

Thursday, May 24, 7pm, Graduation. Handbells will practice at 6:00pm. Wear black and white.
