Principal's Corner - Mr. Snow

We encourage you to get out and sell this weekend for our Christmas Card and Gift Sale. This fundraiser ends on September 28th.

Congratulations to the girls on their victory over VCS on Thursday. Good luck on their home game on Tuesday and their away game on Thursday.

My wife and I would like to thank all of you who have shared thoughtful cards and prayers during my mother's cancer treatment. She is now in the loving arms of Jesus. She is in a much better place.

I would like to say congratulations to my daughter who is getting married on Saturday, September 15th to Kyle Veldhorst. It's been a busy week for the Snow household!

Bow season starts tomorrow as well as fall turkey hunting. Good luck and be safe out there.

Our prayers go out to the people in the path of the hurricane.

Have a great weekend!

Chapel Offering: \$15.17 Total Offerings: \$22.17

4K
Mrs. Snow

Mrs. Snow was out of town Tuesday and Wednesday for her Mother -in-law's funeral. She was also out of the building on Friday preparing for her daughter's wedding. We thank Mrs. Mosier and Mrs. Gossens for filling in.

High School Football Tailgate Friday, Sept. 14th from 5-7 p.m.

Safety Night Thursday, Sept. 20th at BHS 5:45 p.m. (child care provided)

Homecoming Parade Friday, Sept. 28th

Just a reminder there is No 4K on October 5th.

PS/K
Miss Linse

In 3K we had our first week of school. We really had fun getting to know our new classmates. We also enjoyed getting to go outside for recess. We had fun singing an ABC song about the sounds the letters make and cannot wait for our turn with the mystery box. We look forward to all the exciting adventures that 3K will bring. In Kindergarten, we had fun this week being to "big kids" and helping our new friends follow school rules. We are adjusting well to our daily schedule. We have finished 9 math lessons and finished our first Superkid book. We cannot wait to meet our new Superkid friend next week. We really love our Language Arts program. During Jesus time, we are talking about the Creation of the World. Have a blessed weekend.

1st/2nd
Mrs. Fritsch

We have had an interesting journey with Abraham, then Isaac, and then his twin sons Esau and Jacob. We are seeing how God keeps His promises to be with us wherever we go!

In math second grade has started their mad minutes and have been improving every day! We are also learning and reviewing how to write the date. First grade are reviewing how to

Write their numbers, and to count blocks in trains and towers. The students also took their first math test! In Superkids, we have been reviewing our characters, beginning sounds, reading and writing short sentences. Second grade finished chapter one, wrote and designed their own skateboard, and continues to work with pronouns. In health we are learning about healthy food choices. Thank you to Lorelei and Mrs. Hess for letting us watch her monarch caterpillars form chrysalises.

**3rd/4th Grade
Mrs. Schram**

Due to all the rain we were blessed with last week our field trip was cancelled, but has been rescheduled for Friday, September 21. Please return the new permission form. We celebrated International Dot Day (September 15) by doing several "dot" activities. The class built a tower with dot candies and cheese balls, painted a dot picture, used dot stickers for a couple projects, and of course read the book, *The Dot*. A great line from the book is "make a mark and see where it takes you." Our first math test will be next Wednesday. Have a great weekend. God is good, and his love endures forever.

**5th/6th Grade
Mr. Snow**

Mr. Snow was out of the room for a few days this week for his mother's funeral. We thank Mr. Krenke for filling in during Mr. Snow's absence. We also thank you for your prayers and cards during this difficult time.

We have been continuing reading our Indian in the Cupboard book in reading class.

In math class, we have been reviewing fact families and basic terminology that we will use going forward this year.

In religion class we have covered the creation story, Nosh, and the Tower of Babel so far. We have focused on how all these stories point us to the big story of a Savior being sent to redeem us all from our sins by dying on the cross and rising again. We all need to share His story.

**7th/8th Grade
Mrs. GeRue**

This week the students finished their computer art name tag for their desk for art. In language class we are working through a verb unit. For reading we made soft pretzels from scratch after doing a non-fiction reading project on pretzels. In science we are going through an introduction to biology. In social studies we are working on a unit about South America.

On Mondays, Tuesdays, and Wednesdays students are invited to join a robotics club after school where they will learn to construct various robotics and program them.

Volleyball News

The Girls' Volleyball Team has come a long way in the last week of game play. Tuesday, we hosted Fox Valley Christian Academy, and lost the first two games. We won the third for a little confidence boost! Scores were: 19-25, 18-25, and 25-12. Thursday, we played host to Valley Christian School, and won all three! Scores were: 25-23, 25-20, and 25-21. We were evenly matched, and the girls served well, along with playing more as a team! Next Tuesday, September 18, **Home with Celebration at 4:45pm**. Thursday, September 20, at West Bloomfield 4:30pm, and Saturday, September 22, Wausau Tournament (B division, early in the morning). Thank you to our cheering section!

Handbell Update

There are three students interested in playing handbells this year. We need at least six, to play. We will take the year off, get the bells refurbished (cracked handles fixed, clappers fixed, and bells tuned and shined!), and pray that next year we can once again ring to God's glory!

Sports

All athletes need to turn in their physicals to Miss Linse. If you think you may need one please ask. Please pay your sports fee of 10 dollars to Miss Linse also. It is 10 dollars per season. Also, any one interested in purchasing a year long sports pass please see Miss Linse. They are 30 dollars and they cover all home games for the year 2018-2019. Tournaments are not included.

As you may have heard we are combining basketball teams with All Saints this year to create more opportunities for our students to be able to play. More information will follow as we get closer to the basketball season. If you have any questions, please feel free to ask.

Library News: Scholastic Book Fair will be coming to our school October 5-12th. Early Christmas shopping.

First trimester's offering will be going to the Human Care organization in our church. The group helps the shut-ins and sick members of our congregation and extends a kind and compassionate hand to families grieving.
