Principal's Corner - Mr. Snow

We have begun rewiring our school for upgraded wireless internet service. We thank all the volunteers who are involved. We thank the donors and grant providers who gave the dollars to make this project possible.

We encourage you to get out and sell this weekend for our Christmas Card and Gift Sale. This fundraiser ends on September 28th.

School pictures are Monday, September 10th.

I would like to thank all those who expressed condolences for my family and I due to the death of my mother this week. She went to be with the Lord early Wednesday morning after a battle with cancer. We praise the Lord for the promise of the Resurrection. We have faith that we will all be reunited in Eternity because Jesus has paid for all our sins with his death and resurrection. We need to share that wonderful message. My mom's "All Better" now. Praise God and God bless you all. Mr. & Mrs. Snow will be out of town for the funeral on Tuesday and Wednesday of next week.

Chapel Offering: \$7.00 Total Offerings: \$7.00

4K
Mrs. Snow

This has been a week of firsts for all of us. We have been working on tracing our name, sitting on the carpet (in one spot), lining up, walking in a line, using glue sticks, cutting with scissors, raising our hands and snapping the caps on our markers. (Please take some time to practice cutting along lines and shapes at home.)

We learn many concepts through songs. We have started learning hand motions for the sounds of the letters of the alphabet. We have learned songs for the numbers 1 - 4 and color songs. We even have a criss cross applesauce chant for how to sit on the carpet.

Literacy

We have been reading about a dog named Wiggles. We heard how he learned the school rules and how to pay attention at school. We have been practicing how to hold our books and read (look at) books during silent reading time. We are up to a minute and will continue to build our endurance.

PS/K
Miss Linse

This first week of school had just flown by. We have spent the last 4 days getting settled into our Kindergarten routine. We love getting 2 recesses a day and having delicious snacks. We have jumped right into our Math lessons. In our Language Arts program, we have met our first Superkid friend Cass. Every month we will have a new mealtime prayer. During September we are using a prayer called "The Lord is Good to Me" and it is sung to the tune of Johnny Appleseed. The words are "O, the Lord is good to me, and so I thank the Lord, for giving me, the things I need, the sun and the rain and the apple seed, The Lord is good to me. Amen, Amen, Amen, Amen, Aaaaaaaaamen." There are hand motions with this prayer that your child can show you. I will include each month's prayer in the Badger Bytes so that you can enjoy them with your child. We look forward to meeting our new 3K classmates next week.
Remember Picture day is Monday!

1st/2nd
Mrs. Fritsch

We had a terrific start to our new school year! We've learned about our first parents, Adam and Eve. God created everything and said it was very good! Until the fall into sin. Which took us to the next big event, The Great Flood. Noah and his sons built a huge Ark. God sent two of each kind of animal to Noah to put on the Ark. The rains came for 40 days and 40 nights! Noah and his wife, three sons and their wives were kept safe to start the human race over again. When God opened the doors to the Ark, Noah built an altar to thank God for His faithfulness. God put a rainbow in the sky as a reminder to Him to not destroy the earth again with a worldwide flood. Thank you God! Our first Art Lesson was making a rainbow! In math we are counting, writing the date, learning how to read our birthday graph, and reviewing time in second grade. Second grade started reading their first chapter in Superkids, are learning about nouns, and possessive nouns. First grade are review the Superkid characters. Have a great weekend!

**3rd/4th Grade
Mrs. Schram**

Welcome back to the 2018-19 school year. We have been doing a few activities on getting acquainted with each other and some science activities with "Fred the Worm." Our class has a field trip coming up on Thursday, September 13. We will be heading to Horicon Marsh. Parents that would like to chaperone our field trips this year will have to fill out the volunteer form that requires a background check. The school office will handle all the details. Mrs. Hess and Mrs. Trochinski will accompany us on this field trip. We started reading the chapter book, *How to Eat Fried Worms*. Science class has us buzzing into the insect world. Your child can bring insects to school. Thank you for giving me the privilege to be your child's teacher this year. Just as Jesus grew in wisdom and stature, and in favor with God and men, may your child do likewise. Please communicate with me if you have concerns or questions.

**5th/6th Grade
Mr. Snow**

Welcome back to another busy and fun year. In religion we are studying Creation and Cain & Able. Memory next week will be Books of the Old Testament. In math we completed lesson number 4 on Friday. We are reading *The Indian in the Cupboard*. Omri has been given a cabinet that will bring plastic figures to life. He has a real live miniature Indian brave named Little Bear. We are also doing SRA and reading comprehension activities. Spelling starts next week. Have a great weekend!

**7th/8th Grade
Mrs. GeRue**

Welcome back to school! We are off to a great start! In social studies we are starting the year off with a geography class and beginning with South America. In science we are beginning the year with life science and the study of creation and plants. In spelling and vocabulary we worked through the introductory lesson that helps students understand words and meanings better. Next week will be their first lesson. The homework for the lesson is due on Thursday, and the spelling and vocabulary test is on Friday. Students may use Spellingcity.com to study spelling words if they wish. In reading we are starting with a group project which involves some reading and comprehension work, ending with a fun project of making soft pretzels.

If you have not turned in the registration paperwork, including medical forms, etc. please get them in on Monday. Thank you.

Volleyball News

Girls Volleyball played against All Saints Catholic School Tuesday, and lost the first two games: 14-25, 10-25. The third game our girls picked up the win with the score 26-24. The girls played very hard, had good serving and started to play more as a team in the third game. Thursday, we played at Trinity, Oshkosh. We lost the first two games: 16-25, 19-25, and won the third game 26-24. We are serving pretty well and learning how to play together.

Handbell Auditions

Students will start to meet next week Tuesday, September 11, and Thursday, September 13. There are two students returning to the group from last year. If your child is in Grades 5 - 8, and wants to try handbells, contact Mrs. Fritsch (920-896-2528) for an audition time. There is no cost to be part of the Handbell Group.

Sports

All athletes need to turn in their physicals to Miss Linse. If you think you may need one please ask. Please pay your sports fee of 10 dollars to Miss Linse also. It is 10 dollars per season. Also, any one interested in purchasing a year long sports pass please see Miss Linse. They are 30 dollars and they cover all home games for the year 2018-2019. Tournaments are not included.

As you may have heard we are combining basketball teams with All Saints this year to create more opportunities for our students to be able to play. More information will follow as we get closer to the basketball season. If you have any questions, please feel free to ask.

Library News: Scholastic Book Fair will be coming to our school October 5-12th. Early Christmas shopping.

First trimester's offering will be going to the Human Care organization in our church. The group helps the shut-ins and sick members of our congregation and extends a kind and compassionate hand to families grieving.
