

Our Teachers

All of our teachers are properly licensed through the state of Wisconsin and Synodically trained through the Lutheran Church Missouri Synod.

Ms. Debbie Podoll
Pre-School / Kindergarten

"St. John, I believe, has the best of both worlds--a Christian education where the student is free to talk about his/her faith as well as an excellent academic education."

Mrs. Char Fritsch
1st / 2nd Grade

"Our curriculum meets excellent academic standards. We provide an atmosphere of learning, sharing and growing. God's Word and grace makes this possible every day, all day."

Mrs. Candy Schram
3rd / 4th Grade

"I hope that every student whose life I touch will be motivated to learn, so they can walk on a path to success. Most importantly, I hope they will carry God with them throughout their lives."

"St. John has given our children an opportunity for a quality education and a sense of being a part of a family."

Mrs. Julie Snow
5th / 6th Grade
"St. John is a warm caring community of believers working together to support and encourage each other as we work and play."

Miss Elizabeth Crawford
7th / 8th Grade

"St. John is a great place for students to learn and grow in a Christian atmosphere that encourages and supports them."

Our Principal

Mr. Curt Snow

"One of the most impressive characteristics of our school is the feeling of family. Everyone knows and cares for everyone else. Young students look up to the older students. Older students look out for the younger ones. We attempt to resolve differences in a Christ-pleasing manner with appropriate use of the Law and Gospel as directed in the scriptures."

I believe St. John is a warm place where the love of Jesus Christ is shared by an experienced staff throughout each day with the students entrusted to us.

I invite you to come and grow with our family!"
