BADGER BYTES

Principal's Corner - Mr. Snow

Eighth grade graduation was Thursday May 30th. Congratulations to our two Eighth graders. We pray God's blessing on them as they enter this new chapter of their lives. We pray they remember who they are and whose they are.

The last day of school and school trip to Mt. Olympus in WI Dells is Monday, June 3rd. We will be leaving school by bus around 8:15 a.m. that should put us there around 9:30—9:45 a.m. If you're driving and going to meet us there Mr. Snow will be by the group sales building by the main entrance in the upper parking lot. You enter that lot next to the upside down White House building. There is a parking fee. We will leave there by 3:30 p.m. so we are back at school by 5:00 p.m.

I would like to wish everyone a healthy happy and restful summer. Summer vacation is a vacation from school but not from the Lord. See you in church!

Have a great Summer! See you in the Fall!

This week, Kindergarten wrapped up their Jesus time lessons talking about Phillip and the Ethiopian. The Ethiopian, who isn't named, was trying to understand part of the Old Testament book Isaiah but was struggling on his own. God sent Phillip to help him. This led to the man being baptized and taking what he had learned back to the people of Ethiopia, where many Christians continue to live today. This story reminds us of the amazing and long-lasting impact we can have when we witness for God. We also are finishing up our Superkids books and had a blast at our graduation ceremony. We cannot believe that the year is over. Thank you, parents, for donating all the delicious treats for kindergarten graduation. Thank you for trusting me with your child's education this past year. God's Blessings on a fun and enjoyable summer and I look forward to seeing your children in the hallways next year as they continue their academic journeys. **Those of you signed up to go on the Dells trip - See you Monday.**

Our year was full! It was fun, full of learning, and many new experiences! My fantastic second grade completed Superkids, all math lessons, and The Race Car Race! As the school year comes to a close I want to take a moment to say thanks. Thank you for sharing your pride and joy with me. I have done my best to keep your child safe and happy this school year. Thank you for supporting all my efforts, for taking the time to read and sign all the permission slips and forms that have come home. And last but not least thank you for providing a Christian education for your child.

**5th/6th Grade
Mr. Snow**

We had a busy week-wrapping up final assignments and getting missing assignments collected. We finally got that accomplished! Mr. Krenke sponsored a class party on Friday. Mr. Snow and Mr. Krenke wish everyone a happy Summer. It's been a very successful year and we have enjoyed this class. We hope to see you in church. We will see you in Fall!

**7th/8th Grade
Mrs. GeRue**

It was a wonderful school year and I really enjoyed this class. We were able to do some projects this year that were much easier with six students than a large class. I wish everyone God's safe keeping over the summer and hope everyone comes back renewed and refreshed for next year. Congratulations to Brenna and Kyle as they go on to high school!

We have a number of maintenance projects going on this summer.

A few include:

1. Playground Fence—Straighten, Stretch & Reattach
2. Weather Strip North Door
3. Paint 7th & 8th Grade Classroom
4. Replace Whiteboards in 1st/2nd and 3rd/4th Grade Classrooms
5. Shed Improvements

Please call the school at 920-361-0555 and leave a message if you would like to lend a hand. You can also email Mrs. Wilson at school@stjohnberlin.org.
