

St. John Messenger

St. John Lutheran Church
V. 26, No. 7

168 Mound St.

Berlin, WI 54923
September, 2021,

It's almost impossible to believe that summer has gone away once again. The feel of fall is in the air as children are getting ready to go back to school once again. Football teams, volleyball teams, and soccer teams are all in full practice mode as the fall sports kick off. Summer band camps are done and preparations are being made for the many musical activities that will be happening shortly.

Even for those of us who are out of school (some of us for a few years or more!) there is a definite feeling that things are changing once again as summer rolls into fall. Soon the leaves will be changing and then they'll be falling. Before we know it, those white flakes will be visible on some cold October or November afternoon. That's life in Wisconsin, I guess. Actually, that's life in general. If there's one thing in life we can count on it would be change. Some change is necessary, such as the changing of the four seasons and other change is done by choice.

We at St. John will be faced with change as well as the old church year gives way to the new church year when Advent begins in December. You have noticed some obvious changes outside our church already. Old shrubs have been removed and new landscaping has been installed and it looks great. Thank you to those who worked tirelessly to make these changes possible!

A new 3rd and 4th grade teacher (Mrs. Anna Cargin) will be taking over for Mrs. Schram. In addition, classrooms have been painted and some new flooring has been installed. The school looks great!

With all of these changes it's important to remember that the reason we worship in the first place never changes. ***"Jesus Christ is the same yesterday and today and forever."*** (Hebrews 13:8.) I encourage you to remain faithful to God's Word and Sacraments as we begin another year of Christian education.

To that end, I encourage all of you to join your fellow brothers and sisters in Christ on a regular basis as we grow together in our faith and service to

Him who died for all of our sins. Rally Day will be Sunday, September 12th as we kick off Sunday School and Adult Bible Class. Please consider sending you child to Sunday School at 10:15 AM so they can continue to grow in their faith (even if they attend St. John school!) And parents, join us at 10:15 for our adult Bible class in the church basement.

We've all had a great summer but now we change into the fall. May the changeless Christ bless you and keep you in the changing year to come!

Pastor Munding

Jesus loves me
this I know
for the
Bible tells me so.

Altar Guild Potluck

September 21st at 6:00 pm

The Altar Guild invites all the ladies of St. John to an evening pot luck. We would like to invite all 6th, 7th and 8th grade girls and their mothers as well. The Guild provides the food, tableware and beverages. So enjoy an evening of fellowship. Learn how to serve the Lord at St. John Church.

From St John Lutheran School

Happy September to you all. It is time for school to begin. We welcome Mrs. Anna Cargin to our school staff. She is taking over our 3rd and 4th grade class after the retirement of Mrs. Candy Schram who served our children for many years. Mrs. Cargin is married to Alexander, who is a DCE (director of Christian education) at Faith Lutheran Church in Fond du Lac. She is being installed on Sunday, August 29, during the 9am church service. We look forward to working with her for years to come.

The school is having our annual Kick-off cook out on Sunday, August 29, after church. Congregation members are welcomed to drop over to have a brat or burger and check out the school as we get set for another great academic year. We will be around for tours until early afternoon. We thank the PTL for setting up this event and providing brats, burgers, dogs, and drinks. Feel free to bring a dish to pass if you wish. Come for a visit either way.

It has been busy around here this summer. The teachers have had several days of meetings to set schedules and go over curriculum items. They have been busy setting up their classrooms and doing home visits. We look forward to seeing our students and getting started another exciting year.

The trustees have been super busy all summer. Sheds have been cleaned, organized, and repaired. Several classrooms have been painted. Fences have been fixed. Air conditioners have been assessed and installed. Flower beds were redone. New flooring is being installed in place of the carpeting in the second-floor hallway. These volunteers have put in many hours making improvements around our church and school. We thank them for all their efforts.

We would also like to thank the volunteers from Fortifi Bank who came to school to spruce things up. They touched up the paint in the gym and

hallway. It looks very nice. We appreciate their thoughtfulness.

I would like to send out a special thank you to Rich Wallner for the hours and hours of work he does with the books and auditors for our school to qualify as a Wisconsin Parental Choice School. He even takes vacation time to work with the auditors. He is a good example of a person serving the Lord with his time and talents. We are fortunate to have him. Thanks, Rich. (Deb Schrader does a great deal with this process. I would be sunk without her.)

Thanks to funds from the EANS program we are doing some technology upgrades. Our students will now have laptops in grades K to 8. We are replacing our server with new equipment. The big battery back-up is being swapped out. Laptops donated by Badger Mining will take the place of the machines hooked to each SMART board in the building. We are keeping Mr. Reeves busy researching our needs and finding equipment to meet them, while Mrs. Schrader keeps all the finances straight, so we do not need to use congregation funds for these improvements.

I would like to thank everyone who has donated toward the New School Sign project. This will be a great improvement to our facility. There is even an offer to match donations going forward, up to \$2500. Watch the bulletin and screen for more details.

Finally, I would like to thank the Board of Education for the time and dedication as we have been conducting extra meetings for accreditation and deciding on our reopening plan for the school. I know how seriously they take their responsibility. Thank you.

Have a great September. I am yours in Christ's service.

Ready. Set. Go.

Divine Love

Human Care

We're going to play an imagination game. Imagine that I'm holding a \$100 bill. You can see it plainly. It has Benjamin Franklin's likeness on it. So, if I offered you this \$100, would you take it? You might think I'm kidding, or that there's some sort of trick I am playing on you.

But no, I'm not playing a trick and so you take it. You are now richer by a hundred dollars than you were moments ago.

Now imagine something else. Imagine that I crumple up that nice \$100 bill and crush it into a little wad. Would you still want it? Sure, you would.

Okay, imagine that I am now throwing the wadded bill to the ground and stomping on it with my foot. Would you still take the \$100 even when it's been beaten and bruised, crushed and crumbled, 'abased and abused. Would you still take it?

Yes, indeed! Of course you would!

Why? Because no matter how wrinkled and bent, that \$100 bill is still worth one hundred dollars.

Do you see where I'm going with this?

You and I are that \$100 bill. Doesn't matter how weak and wrinkled or how worn and torn we are. In the sight of God, and to those who love us, we're worth just as much as ever! In fact, we have immeasurable, infinite value. So, do not despair!

The apostle Paul once wrote about his rough times: "We are afflicted in every way, but not crushed; perplexed, but not driven to despair; persecuted, but not forsaken; struck down, but not destroyed" (2 Corinthians 4:8-9). He had been knocked down, but not knocked out. He was convinced that nothing could separate him from the love of Christ (see Romans 8:38-39).

Let us be grateful that our value as human beings does not rest upon our achievements or our looks or our health or our education. It rests instead upon the fact that we're made in the image of God.

You are made in God's image.

You are of infinite worth to God and those who love you.

Prayer: Dear God, it is thrilling to consider that I am made in Your image; that there is something of the divine likeness in me. May I live today in a way that honors that image. Amen.

Sunday School MAKES A DIFFERENCE

Sunday School will begin on Sunday, September 12 after the 9am worship service at 10:15 in the school gym. All children ages 4 through 6th grade are encouraged to attend. There are three classes: ages 4 – 1st grade, lead by Madison Mertens and Amber Dretske; 2nd, 3rd, and 4th grades led by Nancy Wallner; and 5th and 6th grades led by April Lueck.

Children will again meet in the school gym for opening devotions and singing. On the first day parents please come in with your children and sign some registration forms.

Mr. Pett will have the 7th – 12th graders again in the church meeting room. Please plan to come and learn more of God's love.

DO YOU LOVE MUSIC?

The choir can use You! We welcome singers of all ages & abilities. You don't have to be able to read music. Psalm 98:4 says "Make a joyful noise unto the LORD, all the earth; break forth into joyous song and sing praises!" Singing to the glory of God is our goal. A variety of musical styles is being planned for this fall/Christmas so there will be something for everyone.

Maybe you can't commit to an entire year. Join us for Reformation or just Christmas. Choir practices will start after Labor Day, on Wed, Sept 8, at 7pm. Contact Cindy Schuett (920-203-6763) if you are interested in joining the choir. Hope to see all music lovers there!

Did You Know...

Sharon Stumpner's life got off to a pretty rocky start when she began struggling to breathe and turned blue shortly after birth. The day was March 12th 1952, at Berlin Memorial Hospital, and this new baby was immediately put into an incubator. Within a few hours, she was breathing on her own and the first crises of her young life was over. A second crisis nearly happened the day she was dismissed from the hospital. Sharon almost wound up with the wrong family when she and another baby were accidentally switched. Luckily, the other child was a boy; the problem was discovered and immediately corrected.

Her parents, Russell and Winnie Stumpner belonged to Emmaus Lutheran Church in Poy Sippi and there Sharon was baptized. At home, she had an older brother Larry; and soon, 2 more children, Dennis and Cindy followed. Her parents divorced after Cindy was born and some-time later Winnie married Ralph Mattice. The family moved to Red Granite and grew as Lois, Ron (Butch), Don (Hank), Marlene (died at 3 months) and Eugene completed the family.

"I have a very vivid memory of crawling up on my mom's lap and seeing a little baby girl with red hair all wrapped up in a green blanket. I was about 5 years old and thrilled when Mom let me hold my new little sister, Lois. Today we are best friends and spend lots of quality time together."

Sharon began her school years at Red Granite Grade school and was Confirmed at the 1st Congregational Church there. She struggled in school and it was soon discovered that she couldn't see the

blackboard so glasses were prescribed. Turns out being in the incubator had affected Sharon's eyes and she needed a lot more than glasses. Through the years she has had a cornea transplant, several laser treatments, cataracts removed and needs special glasses for driving. She is quite lucky that she didn't lose her sight completely.

Sharon is a good worker. Her first job was babysitting for a whopping 30 cents an hour. During her Sophomore year at Wautoma High School, she decided to quit school and get a job. She found work at Safeguard America where her starting pay was \$1.65 an hour. She worked there for 21 years. Sharon also studied and earned her GED high school equivalency diploma. Something she is very proud of.

In 1993 she began working at Ripon Athletic. Sharon always loved to sew and now found work doing what she loved. "Many people think we only make athletic uniforms but we also make lots of other things; duffle bags, muffs, sweat shirts & sweat pants, basketball jerseys and BHS letter jackets are just a few of the other items made here in Berlin. If your letter jacket needs new cuffs or a patch sewn on, bring it in and we'll fix it right up for you." Sharon helped make all the old Packer uniforms now on display at Lambeau Field. "The old uniforms were made of very thick wool material that was woven similar to a burlap bag. It was very hard to work with as it tended to curl up as you sewed. The materials we use today are very high-tech and easy to work with. Some people think Ripon Athletic only makes Packer uniforms but they make uniforms for 20 different NFL and AFL teams including the Bears, Lions and Cowboys." Sharon has met a lot of Packer

players through the years. This year Ripon Athletic is celebrating its 100th Anniversary. "I love my job. Working at Ripon Athletic is fun.

When she's not working, Sharon enjoys listening to music; Willy Nelson, Fats Domino and any kind of rock n roll are favorites. Chicago PD and Dr. Pol top her list for TV viewing and you may see her enjoying dinner at Jeffs or Silvercryst. Sharon also loves being by water, pontoon boat rides, everything about Door County and has taken a whale watching ocean trip on the Atlantic. "Unfortunately, the whales did not cooperate that day but the trip was still fun!!"

At St John, Sharon is a past member of the LWML and is always happy when asked to bring a dish-to-pass". "My favorite thing about St John is the warmth of all the wonderful people who are part of this congregation." God Bless you Sharon!

Note: Imagine your life without sight.....Sharon would like to encourage everyone to consider giving someone the gift of sight by donating their corneas

Board of Trustees Report by Keith Krause

- School A/C units have been replaced with new models. The A/C at Church is working although parts for any future repairs are getting more difficult to find due to the age of the equipment.
- Playground fence at school has been repaired.
- Fortifi Bank employees volunteered "work day" August 24th at the school. Painting and repair projects were completed.
- Konen Flooring is retiling upper school hallway, will be ready for the start of school.
- Old lawn mower was sold for scrap value, purchased by Bohn for \$300
- The person doing the lawn care is no longer able to provide the service. Options for a replacement are being reviewed.
- Gutters on parts of the church were overflowing due to debris build-up. The gutters were cleared but may be in need of future repairs or replacement.

Motion by B Radliff/Snow to accept Trustee's report. Motion approved.

Board of Elders Report & Pastor's Report
